

## General Rules

- Registration for the event would commence on 16<sup>th</sup> Aug 2012.
- No student can be an author of more than one paper. Also, all the team members should be from the same pool.
- The research work done need not necessarily have been done as a part of a separate, standalone research program. All the work you have done as part of projects in courses, your summer research work, the B.Tech./M.Tech./B.E./B.Sc./M.Sc./PhD. research program are welcome, subject to the condition that it has in some way contributed towards research in any of the departments.
- Each team may have maximum three members.
- All results will be announced on the website.

## Round 1: Abstract Submission

- An abstract of about 300 words has to be submitted focusing on the problem statement, scope of work, the idea proposed, original work done and brief results and findings.
- Word template for abstract is available on the next page. The word file should be named as "Team Name\_Pool Name\_Department\_Abtract". Format should be strictly followed.
- Based on the total number of entries from each department, only five departments will be shortlisted for Round 2.
- All papers must be submitted electronically at [eureka.takneek@gmail.com](mailto:eureka.takneek@gmail.com) with subject "**TeamName-Abstract Submission**".
- **Last date of submission & registration is Aug 19, 2012 11:59 PM.**

## Round 2: Full Paper Submission

- The teams shortlisted after round 1 will be required to submit the full paper of their research work.
- All papers must be submitted electronically at [eureka.takneek@gmail.com](mailto:eureka.takneek@gmail.com) with subject "**Team Name-Full Paper Submission**". The word file should be named as "Team Name\_Pool Name\_Department\_Paper Title".
- Papers will be judged on the basis of the following criteria:

➤ Clarity of Problem Definition	10 %
➤ Originality of the Idea & it's Significance	25 %
➤ Work/Study	20 %
➤ Innovation & Feasibility	30 %
➤ Conclusion & Overall Impact	15 %
- The decision of the judges would be final and binding.
- **Last date of full paper submission is Aug 25, 2012 11:59 PM.**

## Important Dates

### Round 1 (Abstract)

Aug 19 2012

### Deadline for submission of Abstract

**Round II (Teams whose abstract is accepted in Round I)**

Aug 25 2012

### Deadline for Submission of Full Paper

## Points Distribution

- The first & second positions in each department will be awarded 2 & 1 point(s) respectively.
- No points will be awarded to the other entries in Round 2.
- The points for each pool will be totalled by adding all the points awarded to its entries in each department.
- Pool rankings will be declared on the basis of total number of points.
- The total weightage of this event in Takneek is 25 points.
